GRADUATING EXERCISES.

Splendid Program Presented By
High School Pupils.

The commencement exercises at the High School took place in the building, Emma street, last night, where an audience that filled the two large rooms on the right side of the hall on the lower floor and the hall itself, gathered long before the graduates and other pupils of the institute marched upon the platform at the Ewa end. Crowded as the place was, the foresight on the part of Professor Scott and his corps of assistants in providing proper ventilation, rendered it most comfortable for all.

The decorations were simple. On the wall, to the rear of the platform, were hung two large Hawaiian and one American flags. Around the rooms and hall, at an elevation of about 12 feet, were festoons of various vines and ferns plaited by the pupils of the High School.

After the arrival of President and Mrs. Dole, who were escorted to their places near the platform by Prof. M. M. Scott, the graduates and about 25 other girls and boys took their places on the platform.

After prayer by Rev. Alexander Mackintosh came a piano solo, "Tantarelle" (Heller), most skilfully played by Miss Ada Gertz. The young lady has a touch and expression that will one day make her much more than an ordinary player.

Next came a song by the High School, and then an essay on "Some Changes in the Reign of One Monarch," by Miss Lishman. In this the essayist called attention to the wonderful discoveries and inventions, the growth and decline of nations, the development of various industries, etc., that have taken place during the 60 years' reign of Queen Victoria.

After another song by the High School, Miss Stella Love recited "Lascia" without a break and with excellent expression. Then came a song, "Fiddle and I," by Miss K. King, with violin obligato by Professor Yarnley. An essay on "Coral Reefs," by Norman Brown, showing study and thought, was followed by another song by the High School. Miss Lemon gave a recitation, "The Legend of Brezang," which was followed by a trio, "The Dragon Flies," by a chorus of young ladies.

In a well written and carefully prepared essay on "Two Visits to Honolulu," Miss K. King dealt with the early days and the present time, enumerating the various virtues and vices of the two periods. With much feeling Miss King dwelt upon the decline of the native Hawaiian people, closing with an appeal that something be done "to prevent the decay of this happy, warm-hearted people."

In his address to the graduating class, President Dole gave some good, wholesome advice to be followed in the life that was just opening for its members. The higher and broader planes of life should be sought after with ceaseless energy.

Professor Scott spoke to the graduates on what they should do, and complimented them on the courtesy they had always shown toward their instructors. "Try to use the knowledge you have to the very best advantage," said Mr. Scott, "and keep on improving in courtesy." After this came the distribution of diplomas. A song by the High School was followed by the benediction by Rev. Alexander Mackintosh, and the exercises were at an end.

The graduates were: Norman Brown, Walter Giffard, Miss Kathleen King, Miss Ada Lyett, Miss Daisy Lishman and Miss Nellie McLain.

FORTH OF JULY SPORTS.

Some of the Sports and Prizes for Celebration.

The Sports Committee of the Fourth of July celebration met last night and arranged a program to be carried out that day. In order that there may be no confusion regarding the events to take place tomorrow, a complete detailed program is withheld until later in the week. It is understood, however, that the celebration will be on a much larger scale than has ever been attempted before. The fireworks will be on a magnificent scale, the principal piece being an illuminated view of Niagara Falls. This will be about 80 feet long and from the illustration which accompanied the invoice, it will be very grand.

The amount appropriated for prizes is much larger than last year, and there will be more of them. Special efforts will be made to have Japanese and Chinese floats, for which prizes will be specially offered. It is hoped the Chinese will have a dragon in the procession.

The meeting last night was presided over by Colonel McLeod, L. T. Kenake acting as secretary. D. L. Naone, Henry Smith and William Jarrett were appointed a committee to design an Hawaiian float, and F. J. Lowrey and C. B. Ripley an American float. There will be four bands in the procession, and the Fire Department, National Guard of Hawaii and Police Department of the following:

Best decorated bicycle; six prizes.
Best decorated tandem.
Best decorated and most original unofficial floats; two prizes.
Best decorated hacks or livery vehicles and public conveyances; three prizes.
Best decorated business, delivery wagons and drays; four prizes.

Miss Ahong's pupils will give a concert on Thursday evening at 7:30 for the purpose of raising funds for an organ for Pauoa Church. The program is made up of dialogues, acts and songs, and from the talent shown by the pupils on other occasions, the church should be crowded. The admission will be 50 cents.
